

OCS aims to be the leading organization in oil and gas sector and beyond with commitment towards building trust, creating value and improving the quality of life of our stakeholders. The Policy is an overarching document that signifies our initiatives towards economic, social and environmental aspects co-creating harmony between development and ecosystem.

We aspire to achieve sustainable growth by:

1. Ensuring safety and security of our people and work locations.
2. Minimizing environmental impacts of our operations, products and services.
3. Focus on enhancing positivity, health and happiness of our employees.
4. Focus on Execution, Efficiency and Excellence in all aspects of our business.
5. Continual improvement in management of, water, air quality and waste, including Reduce-Reuse-Recycle.
6. Conservation of biodiversity and ecosystems in and around the regions of our operations.
7. Sustainability awareness for all.
8. Adherence to national laws and regulations, international standards and industry guidelines.

The policy is communicated, understood, implemented, and maintained at all relevant functions and levels within OCS Services and is shared with other interested parties on request.
